REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2007-2008 school year was an exciting time to be at Mossy Oaks Elementary School. Because of our high levels of academic achievement and high rates of student academic improvement, we earned the Palmetto Silver award for the third consecutive year. This year the staff spent much time analyzing student achievement data, and we used this information to plan more effectively for instruction as we became more technologically proficient. We are fortunate to be able to provide a variety of programs to address individual needs of our students. Accelerated Reader, Everyday Counts Calendar Math, Analogy of the Day, Math Facts in a Flash, and Rhymes and Times are just a few of the programs that are used school-wide to ensure that students are receiving standards-based instruction that will help them be successful in school.

Character education is also an important part of the daily school routine. The students say a respect pledge each morning, and we continue to emphasize the character traits of trustworthiness, respect, responsibility, caring, and citizenship. An extension of this is our Encouragers' Club, which is a service learning club of 38 students that is very active in our school and the community. They have been involved in Relay for Life, Festival of Trees, Red Ribbon Week, Pennies for Patients, letter-writing to soldiers, and other activities that benefit others. Our creative arts program brought together the whole community in two greatly successful productions by 3rd graders and 5th graders. The Mossy Oaks Chorus performed at the State Fair in the fall, and our Book Club members read the twenty South Carolina Children's Book Award titles and chose their favorite.

Last year we had more than 765 volunteers donating more than 8300 hours in approximately 55 different events/activities to make our school a better place. We have been particularly fortunate to be the beneficiary of Beaufort Middle School's community service requirements and their teacher cadet program. Many of our students have had quality one-on-one assistance from these middle school students. Mossy Oaks Elementary continues to benefit from a strong base of parental support. Our PTO has sponsored wonderful family-oriented activities such as the Back-to-School Luau and swim party, the Fall Fling, and the wildly successful Hoe Down, which drew a full house of Mossy Oaks family members at the middle school gymnasium! This year, one parent spearheaded an after-school Creativity Club which had so many applicants that they had to provide two classes instead of the one that was originally planned.

Our School Management Team was actively involved in the successful school district bond referendum. Parent survey results were analyzed, and plans are already being made for next year. Much change will be in store for our school since we are losing several staff members to retirement and will be adding new personnel who will bring innovative new ideas to Mossy Oaks. We continue to live by our school motto of being in the right place, at the right time, doing the right thing.
